

I-15 Corridor Utah County – Salt Lake County
Volume II
Final Environmental Impact Statement and Section 4(f) Evaluation
June 2008

Please note that the engineering drawings in this document (Volume II of the I-15 Corridor Utah County – Salt Lake County Final EIS) are labeled “Draft Conceptual Engineering Drawings.” The term “Draft” is used because during the final design process the details of the engineering could change, although any changes would remain within the environmental study limits used for the EIS.
